Answer

???????? ??? ?????? ???????????? (????????? ??????)(??????? ??????? ???????)
THE MINISTER OF STATE (INDEPENDENT CHARGE)
OF THE MINISTRY OF COMMERCE & INDUSTRY
(SHRIMATI NIRMALA SITHARAMAN)

(a) & (b): The schemes under North East Industrial and Investment Promotion Policy (NEIIPP), 2007 have neither been cancelled nor withdrawn. However, fresh registration under NEIIPP, 2007 was suspended with effect from 01.12.2014 as the allocations for the schemes under NEIIPP, 2007 have been fully utilized and liability have been incurred far in excess of the 12th Five Year Plan allocations. At present no proposal is under consideration to start new registration of industrial units under North East Industrial and Investment Promotion Policy (NEIIPP), 2007.

Government of India is focused on expeditious and time-bound completion of infrastructure projects viz. road, rail, power, civil aviation, telecommunication, waterways etc. in North Eastern Region. Some of the major projects have been completed or near completion. Business summits have been organized from time to time to apprise the prospective entrepreneurs about the infrastructure development in the region and inviting them to set up industries in NER. Interest free loans have been provided to North Eastern Development Finance Corporation Limited (NEDFi) by the Government of India to promote development of small and micro industries.

(c) & (d): In order to implement the Make in India policy, the Government of India has taken a series of measures to improve Ease of Doing Business in India. The emphasis has been on building manufacturing infrastructure, simplification and rationalization of the existing rules and introduction of information technology to make governance more efficient and effective. The details of measures taken by Government of India are at Annexure.
